# AN INVITATION

TO JOIN THE MEMBERSHIP OF

# DROUGHTMASTER BREEDERS' SOCIETY

1<sup>st</sup> April, 2010 to 31<sup>st</sup> March, 2011

The Society offers four different categories of membership, each having various degrees of involvement.

"**STUD**" membership is offered to those who wish to participate in stud breeding, involving pedigree recording. All registered females over 20 months of age as at 1st April of any year are charged a per head inventory fee. You will be eligible to sell stock at Society Sponsored Sales, have animals within your herd inspected and classified as D1s, be a member of Droughtmaster Group Breedplan, and vote at Society meetings.

"**COMMERCIAL**" membership is available to those who do not wish to be concerned with paperwork but who wish to have their herd officially recognised as being Droughtmaster. Commercial membership will enable you to record your cattle with Droughtmaster Group Breedplan, be on the Society database when orders for cattle come in, vote at Society meetings and be involved in the various events held throughout the year. Commercial members cannot sell stock at Society Sponsored Sales.

**Animals in Commercial Herds are unable to be registered**

"**ASSOCIATE**" membership is available to those interested people who wish to maintain a contact with the Society and the Breed.

"**JUNIOR**" membership is available to under 21 year olds who can own ten registered females at any one time (includes registered calves), and can sell cattle at Society Sponsored Sales.

All these categories of membership entitle you to be placed on the Society's mailing list to receive the Digest and all information regarding Shows and Sales and activities organised by the Society.
